COMPANY PROFILE

Amvac Agri Rasayan Pvt. Ltd. is promoted dedicated entrepreneur & professional belonging to family who have rich experience in the field of Agro Chemical for over two decades. **Amvac Agrirasayan Pvt. Ltd.** is the marketing arm of **Shimac Organics** with manufacturing units in Sikandrabad (U.P.).

The Family has been identifying the needs of the customers and satisfying them with products of highest quality and marketing efficiency. **Shimac Organics** products are released in the market after stringent quality control checks, to ensure that the best product reaches to the end user.

The company has now entered the Public Health with a Bang to serve the Urban Pest Management Sector.

Piramid is strong and effective termiticide incorporating technical Chlorpyrifos. It is the 1st branded termiticide incorporating Chlorpyrifos technical which was introduced in 1994 and is widely accepted. It is approved for soil treatment from Govt. Organization like **MES, DGMAR, AIR, RITES, EPL**, besides a large number of construction companies in public & private sector & is well accepted by service organizations in Pest Control Sector.

We have at this moment well-equipped and staffed Modern manufacturing unit in Sikandrabad, (U.P.) with stringent quality control to give product of highest quality.

The Agriculture & Urban growth is very promising and Amvac Agrirasayan is very well equipped to meet the ever-growing challenges.
